

YOUNG SCIENTISTS CAMP 2011 APPLICATION FOR FINANCIAL AID
562- 985-4801

Funds for financial aid to participate in Young Scientists' Camp are limited. We are working hard to provide as much help available as possible and hope to be able to meet the needs of our campers. Scholarships are granted strictly on the basis of financial need. Preference will be given to campers who have not received a camp scholarship from us in the past.

In order to be considered for financial aid you must return this form with a teacher's signature, a letter of recommendation written by a teacher on school letterhead, and a completed registration form to:
